WE'RE CHANGING LIVES

Academic excellence through giving and service.

Sponsorship and Service

Sponsors and partners help to advance educational research, support program development, provide access to work experiences and job opportunities, and provide financial aid to lower student out-of-pocket expenses.

Benefits

- Receive discounts on innovative business technology services.
- Reach a diverse student population from brand awareness and marketing.
- Share revenue from the sale of courseware, products, services, and referrals.
- Receive a tax benefit for your financial contribution.
- Give through exemplary leadership and service.
