# STUDENT ORIENTATION

## Student Orientation (SO) Program

---

This program is designed to ensure that our students excel through exemplary academic performance and leadership. In this program, students learn how to navigate and use the online platform, develop exemplary leadership competencies and skills to be stellar students, and understand their responsibility to uphold our academic standards and policies.

### Courseware Materials

The list of courseware materials below are standard for every eCourse. Students must purchase required courseware materials and textbooks to successfully complete the program and earn the degree. These out-of-pocket expenses combined with residency and technology fees are in lieu of tuition. Our students do not pay tuition to take required courses in any degree program.
